

Satellite radio provides variety and quality that are not available to us anywhere else. We pay for these services and it should not be up to the National Association of Broadcasters to dictate what we are permitted to hear. We respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that we want and deserve. We urge you to listen to the people, and not be swayed by powerful lobbyists and big contributors.
